- **Nori:** ½ seaweed sheet
- **Sushi rice:** ¾ cup cooked (seasoned with sushi vinegar)
- **Imitation crab:** 1 stick, sliced thin
- **Cucumber:** 2 pieces, sliced into thin strips

Toppings:

- **Avocado:** ½ (divided for filling and topping)
- **Salmon:** 3 slices (sushi-grade)
- **Tuna:** 3 slices (sushi-grade)
- **Mango:** 1, thinly sliced

Equipment:

- **Sushi rolling mat (makisu)**
- **Plastic wrap**
- **Sharp chef's knife**
- **Cutting board**

Step-by-Step Cooking Instructions

1) Prep mat: Wrap bamboo sushi mat completely in plastic wrap to prevent rice sticking.

2) Layer rice: Place half nori sheet rough-side-up on mat. Spread sushi rice evenly; flip over (rice face-down).

3) Add filling: Arrange thin strips of avocado, imitation crab, and cucumber lengthwise down bare nori center.

4) Roll sushi: Lift mat front edge over filling, tuck tightly, roll forward into log. Squeeze gently to secure.

5) Arrange rainbow: Thinly slice remaining avocado. Lay overlapping tuna, salmon, mango, and avocado slices on top, alternating colors.

6) Form toppings: Place fresh plastic wrap tightly over toppings. Press gently with mat to mold firmly onto rice.

7) Slice & serve: Keep wrap on to protect toppings. Cut into 8 equal pieces using wet, sharp knife. Peel wrap, plate, serve.

Tantalizing delicacy Dolma - a traditional Mediterranean and Middle Eastern family of stuffed and wrapped dishes, most commonly featuring grape leaves, tomatoes, or zucchini filled with rice, herbs, and meat . The word comes from a Turkish term meaning "to be filled" dolma.

Stuffed Dolmas: Ingredients

For the Dolma Filling:

- **Ground Meat:** 1.1 lb / 500 g (half pork, half beef)
- **Onion:** 1 medium / 120 g (grated)
- **Lemon Juice:** 2 tbsp / 30 g
- **Salt:** 1.5 tsp / 7.5 g
- **Tomato:** 1 medium / 200 g (grated)
- **Fresh Parsley:** ½ bunch / 20 g (finely chopped)
- **Short-Grain Rice:** ½ cup / 100 g
- **Black Pepper:** To taste
- **Olive Oil:** ¼ cup / 50 g

For Assembling and Cooking:

- **Grape Leaves:** 1 jar (32 oz, about 100–120 leaves)
- **Liquid:** Chicken broth or water (enough to cover)
- **Olive Oil:** ¼ cup / 50 g
- **Unsalted butter:** 1 ½ tbsp (divided)
- **Lemon Juice:** 1 tbsp / 15 g

Step-by-Step Cooking Instructions

1) Prep leaves: For jarred, submerge in cold water, separate gently, and rinse multiple times to remove brine. For fresh, blanch in boiling water 5–30 seconds until pliable, plunge into cold water, and drain.

2) Mix filling: Combine ground meat, grated onion, salt, lemon juice, grated tomato, chopped parsley, rice, pepper, and olive oil in a bowl; mix thoroughly.

3) Prep pot: Line the cooking pot bottom with torn or tough grape leaves.

4) Roll dolmas: Lay one leaf flat (vein-side up). Place a spoonful of filling near the stem. Fold stem end over filling, fold sides inward, and roll tightly to the tip.

5) Assemble & simmer: Pack rolls tightly into pot (seam-side down). Pour in cooking olive oil and enough chicken broth or water to just cover. Weight down with an inverted, heat-safe plate. Cover with lid and bring to a slow boil.

6) Cook: Reduce heat to a low simmer. Cook 45–60 minutes until rice and leaves are tender. Serve on a platter⁸ garnished with fresh lemon wedges.

The Meats & Base:

- **Smoked ham:** 1 cup, diced
- **Ham hock:** 1 large hock
- **Bacon:** 4 slices
- **Olive oil:** 3 tbsp

Liquids & Sugar:

- **Chicken broth:** 2 cups (plus extra if needed)
- **Cooking sherry:** 1 splash
- **Sugar:** 1 tbsp brown sugar

Aromatics:

- **Onions:** 1 cup, chopped
- **Shallots:** 2 medium, chopped
- **Garlic:** 4 cloves, minced

Step-by-Step Cooking Instructions

1) Prepare the greens: Wash collard greens thoroughly in cold water to remove dirt. Remove the tough center stems, stack the leaves, roll them tightly like a cigar, and slice into 1-inch strips.

2) Sauté the aromatics: Heat olive oil in a large, heavy pot over medium. Cook garlic, onions, and shallots until fragrant and translucent, then remove from the pot and set aside.

3) Cook the bacon: Fry bacon slices in the same pot until completely crispy. Remove to crumble later, leaving all the rendered bacon fat behind in the pot.

4) Deglaze & build base: Add diced ham and the ham hock to the hot bacon fat; brown for 1 minute. Pour in chicken broth, scraping up the flavorful browned bits from the bottom.

5) Simmer the greens: Return aromatics and greens to the pot. Stir in brown sugar and a splash of cooking sherry, then bring to a boil. Cover, lower heat, and simmer for 90 minutes, adding broth if needed.

6) Finish & serve: Cook until the greens and ham hock are completely tender. Stir the crumbled crispy bacon into the greens just before serving.

Experience a classic dessert guide to Bananas Foster, a legendary New Orleans staple. This method shows how the signature butter, brown sugar, and dark rum sauce comes together in one skillet. Ignite the rum for a show-stopping flambé or simmer into a glossy glaze.

Bananas Foster: Ingredients

The Fruit & Base:

- **Bananas:** 3 medium, ripe but firm (split crosswise then lengthwise)
- **Unsalted butter:** 6 tbsp (85g)
- **Light brown sugar:** ½ cup (113g)

Spices & Spirit:

- **Rum:** ¼ cup (60ml) white or aged rum
- **Spices:** ½ tsp ground cinnamon, 1 pinch ground nutmeg, 1 generous pinch kosher salt

Serving:

- **Ice cream:** Ice cream of your choice (vanilla recommended)

Step-by-Step Cooking Instructions

1) Build the base: Melt butter, brown sugar, cinnamon, nutmeg, and salt in a 12-inch skillet over medium-high heat. Stir and swirl for 2 minutes until grainy and bubbling.

2) Caramelize bananas: Place bananas cut-side down into the skillet. Cook for 2 minutes, swirling the pan gently, until the sauce transforms into a smooth caramel.

3) Add the rum: Pour in $\frac{1}{4}$ cup of rum. Safety tip: Never pour straight from the bottle if you are cooking over an open gas flame.

4) Flambé option: Tilt the pan slightly to catch the gas flame, or use a long match. Shake gently until the flames die out and the sauce reaches a thick, honey consistency (1–2 minutes).

5) Simmer option: If skipping the flame, simply simmer the mixture over medium heat until the sharp alcohol taste cooks off and the caramel thickens into a rich syrup.

6 Flip & serve: Turn the bananas cut-side up. Immediately transfer to plates alongside your favorite ice cream, spooning the warm caramel sauce generously over the top.
